The  
Children's  
Society

Making childhood better for every child

Working in partnership with The Church of England, we can provide resources to help you to explore the Christian meaning/teaching of All Saints alongside children and young people.

Hold an **'All Saints' service**, starting the evening with a celebration of sainthood and children's Eucharist. Hold **a collection** for The Children's Society and then join in a **candlelit procession** in and around your church or parish.

During the evening, **dress up** as your modern day saint or hero such as a fireman or nurse.

**Support The Children's Society** and disadvantaged children instead of giving a 'treat' – order our free poster for your window.

For free resources on  
the above activities call  
**0845 600 8585** or visit
